#WELCOME

If you're a digital business looking to set up a new operation in Leeds City Region, then grant funding may be available.

The funding can contribute towards the costs related to the investment including:

Office fit out

Equipment

Alterations to premises

Architects / design consultancy fees

IT consultancy costs for the layout of system and cabling

Your business could be eligible for a grant contribution of between £10,000 - £50,000 if you meet the following criteria:

- currently has no presence in Leeds City Region
- intends to establish new operations in Leeds City Region
- is a creative, digital or technology business
- has eligible capital costs associated with this investment
- is creating five or more full time, permanent jobs in the City Region
- has a trading history of a minimum of 12 months
- has an eligible capital project with a value over £10,000

Other support you'll receive

In addition to the potential for grant funding we will:

Help you to build the business case for the investment by providing the latest data and intelligence relating to your sector and investment

Help you find a space (office / building / studio) that's right for you

Introduce you to potential partners

Help you make a splash when you arrive here with marketing and communications support

Provide ongoing support once you're here
